About Station Court

Situated in the heart of Colwyn Bay, Station Court provides modern and spacious accommodation for stand-out training courses, meetings and bespoke events.

Extensively refurbished and renovated, this Grade II listed building offers three wonderful rooms in historic and impressive surroundings, combined with catering options from our Social Enterprise caterer, located on site.

All our rooms offer free WiFi and hearing loop induction facilities. Our IT and presentation include large TV monitors with HDMI connectivity, projectors, flip charts and whiteboards. We have full disabled access and a lift to all floors.

Centrally situated on the North Wales coast, easily accessible from the A55 or by public transport, close to all-day parking facilities and just 100 yards from Colwyn Bay Railway Station, Station Court is easily accessible to all.

We are proud to be part of CAIS Social Enterprises, an award-winning Social Enterprise and the trading subsidiary of Adferiad Recovery, a mental health and addiction recovery charity. We operate as a non-profit organisation, with all profits generated reinvested in the valuable work of Adferiad Recovery. When you book with us your money will have a positive impact on those around you and the local community.
